Lovescopes for October 16 - 22, 2006

ARIES (March 20â€April 19)

Some conflict may arise in love matters as you find you are pulling in different directions. There is a mysterious air about things over the upcoming Halloween weekend. You need to tap into the spirit world to get to the bottom of this.

Key word for the week: Mystery

Your luckiest aspect this week: Finances

Who to spend time with: Leo

TAURUS (April 20â€May 20)

The planets are casting their spell on you, leaving you all starry-eyed. A personal relationship is close to your heart and you are willing to fight to preserve it. However, avoid showing any signs of obsession or possessiveness, which could work against you.

Key word for the week: Disguise

Your luckiest aspect this week: Family

Who to spend time with: Taurus

GEMINI (May 21â€June 20)

Socializing is a must as there will be plenty of parties to attend. Someone may be hiding behind a mask, but you will see through the windows of their soul. A bizarre disguise is a must. Try to separate family affairs from romance or friendship.

Key word for the week: Fantasy

Your luckiest aspect this week: Love

Who to spend time with: Cancer

CANCER (June 21â€July 22)

Doubts or confusion may be simmering away beneath the surface, and an outsider's remark may stir the cauldron even more. You need to turn off the heat and let things cool down. Straight thinking is required to resolve a family matter.

Key word for the week: Creativity

Your luckiest aspect this week: Career

Who to spend time with: Gemini

LEO (July 23â€August 22)

Your love life perks up, as you sweep out some ghosts from the past and let in some bright and helpful spirits for this Halloween weekend. Friends may seem inconsistent but this has nothing to do with you. You should not take it personally.

Key word for the week: Celebration

Your luckiest aspect this week: Social Life

Who to spend time with: Aquarius

#### VIRGO (August 23â€“September 22)

There's a lot to be said for sticking to your guns and standing up for your rights, but you have to tone things down a little and be more diplomatic. A difficult decision continues to haunt you, and you have trouble seeing clearly.

Key word for the week: Sociability

Your luckiest aspect this week: Working Relationships

Who to spend time with: Aries

#### LIBRA (September 23â€“October 22)

Your rapid mood swings and tendency to change your mind are legendary, but others find it hard to take. An older family member may seem to be putting pressure on you, but if you concede, you will find that you can get a lot out of this.

Key word for the week: Surprise

Your luckiest aspect this week: Home Life

Who to spend time with: Sagittarius

#### SCORPIO (October 23â€“November 22)

The planets are still backing you up, and this month is truly the month for you. Plan ahead. Looking ahead, there is one major dream you would like to come true before the millennium is out. You can do it. Just give it a shot.

Key word for the week: Recreation

Your luckiest aspect this week: Socializing

Who to spend time with: Leo

#### SAGITTARIUS (November 22â€“December 21)

Your social life may seem nothing to write home about, but you can spark things up by participating in upcoming Halloween celebrations that will be memorable and eccentric. It's time to take the initiative and show others just how you feel.

Key word for the week: Magic

Your luckiest aspect this week: Romance

Who to spend time with: Capricorn

#### CAPRICORN (December 22â€“January 19)

You have been watching family affairs from afar and keeping out of the picture. Now it's time to intervene. Like it or not you have to take the bull by the horns. You are making steady progress and you can't force yourself to move faster than that.

Key word for the week: Creativity

Your luckiest aspect this week: Friendship

Who to spend time with: Virgo

#### AQUARIUS (January 20â€“February 18)

Looking at the long term, you have things to do and place to visit. Your love life is intimately linked to social activities. It's when you are out and about that your heart will be beating, and you have the chance to make a passionate encounter.

Key word for the week: Prudence

Your luckiest aspect this week: Career Plans

Who to spend time with: Scorpio

#### PISCES (February 19â€“March 19)

Romance is in the air and you'll be dreaming of far off places and exotic company. Let yourself go, and enjoy yourself. You have some bright ideas and others appreciate your sense of creativity and passion.

Key word for the week: Balance

Your luckiest aspect this week: Relationships

Who to spend time with: Libra
