Here we go:

1. Nancy has few friends, doesn't she?
2. Alice will in no way trust you anymore, will she?
3. Please don't close the window, will you?
4. Let me do it myself, will/won't you?
5. Let us do what we want, will/won't you?
6. Let's have some ice cream, shall we?
7. Let's not go to the park, shall we?
8. Let's not watch TV, shall we?
9. Have a cup of tea, will/won't you?
10. He must have been a fool, wasn't he?
11. You must have failed in the exam, didn't you?
12. Studying English is useful, isn't it?

Not sure how those grammarians set the rules. Please correct me if any of the above answers is wrong.
