Can we say " energy saving and carbon reducion "?
Thanks!
Hi, Alexia,
Yes, you're right. You can say "energy saving and carbon reduction".
However, you made an error in a Chinese character. Try $\varsigma \phi^3$ instead of ς ,
Hi, brother glot! ^^
Long time no see! How have you been?
Thank you for the reply! I didn't notice I made an error in a Chinese character. Happy mid autumn

Festival!
