Heaven

Oh, thinking about all our younger years
There was only you and me
We were young and wild and free
Now nothing can take you away from me
We've been down that road before
But that's over now

You keep me coming back for more

Baby you're all that I want
When you're lying here in my arms
I'm finding it hard to believe
We're in heaven
And love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven

Oh, once in your life you find someone
Who will turn your world around
Bring you up when you're feeling down
Yeah, nothing could change what you mean to me
Oh, there's lots that I could say
But just hold me now
'Cause our love will light the way

I've been waiting for so long
For something to arrive
For love to come along
Now our dreams are coming true
Through the good times to the bad
Yeah, I'll be standing there by you
