=====

Busy-body

Busy-body is a person who is always interfering in other people's business. For example, if you see a friend who is always talking about other people's problems, you can say he is a busy-body.

Busy-body is a person who is always interfering in other people's business. For example, if you see a friend who is always talking about other people's problems, you can say he is a busy-body.

behind the times

sooner or later

to save one's face

to turn over a new leaf

experience is the best teacher

barking dogs seldom bite

Busy-body is a person who is always interfering in other people's business. For example, if you see a friend who is always talking about other people's problems, you can say he is a busy-body.

a busy-body

at the eleventh hour

what a shame

to be taken in

to pull up one's socks

to bring the house down

to think too much of oneself

to eat one's words

to draw up a plan

He is too glad to let you go

Busy-body is a person who is always interfering in other people's business. For example, if you see a friend who is always talking about other people's problems, you can say he is a busy-body.
