TO 123

Yes those flowers i plant them,

And i do not plant dragon fruit,

But i can get the branches of dragon fruit easily.

Simply beautiful!

A little suggestion, Modo, why don't you put all the pictures together in sequence and present them as a complete life story of your å-"é»€ä»™äººæžœ?

Dear Futari

Yes I do have a web page for the history of my planting of those flowers,

But not in this web, that web is more dedicate for plants planting.

You can check below link, now it has 9 pages now.
