From Elinor.

Goats

With consideration of all the brilliant, devious minds we had in high school,

I don't know how we missed doing this.....

At a high school in Montana, a group of students played a prank....

they let three goats loose inside the school.

But before turning them loose, they painted numbers on the sides of the goats: 1, 2, and 4.

School Administrators spent most of the day looking for No. 3.
