Hello 123,

I am Song, another member from Nciku.

I am very new here, also do we have to ask for our passwords to log in everytime? I am asking this, because I find that i need to, because the original password doesn't work anymore on the second log in.

If this is so, then this website is not user friendly at all.. please tell me this is not true.

I need help please.~

Thank you

Song the lost one
