Hello Montanius:

So fast, it is almost Wednesday now, how time flies by!!

Yes, This cute duckling was in HK a while ago, not sure when was it. It's story seems from North America, I know Uncle Google has it all

About the naming, it is quite blur with me. I think wiki can tell.

Funny, I used to love to got all answers in my hand all the time, but the tendency seems gone with the growth of internet.....
