Hello, Dagege,

He-he, I guess this beauty brings back the HK days...

I have not much with Danube nowadays... It should come to RĀĭba (Raab)... But it is a bit narrow for it.

Anyway, there are several ducks? I thought the very same one is taken from city to city around there.

Hahaha ... looks like an invasion of those rubber-ducks. The aliens are getting more and more clever nowadays ... so cute their invasion ~~~~

A big hello to my Hungarian friend.

Take care, maybe soon they will invade the Danube. Time for emigration ~~~
