What a dream!

Snake dream meaning A-Z

<http://www.snakedreams.org/dream-meanings.html>

here are some of the paragraphs which i find quite intriguing..

When the presence of the snake in your dream is neutral or friendly, it suggests that you are dealing with fears or concerns with assurance. It is an indicator that healing is taking place.

If youâ€™re dreaming of a wild snake, it may denote negative aspects associated with the animal, such as worries, fears or concerns about something that going out of control.

When you are fighting with a snake, it means that you are resisting a change or struggling with a decision or feelings in your waking life. It may represent a power struggle in your intimate relationship or at work.

Being chased by a snake means that you are facing an intimidating situation in your life that is haunting you. Emotions that you have not dealt with are coming back at you.

A dream of being attacked by a snake, it could be calling you to explore a challenging situation in your life and how to deal with it.

If you are dreaming of being bitten by snake, it means that you need to pay attention to something that youâ€™ve been avoiding because it was too intimating or uncomfortable.

If the snake spits its venom at you, it suggests that thereâ€™s a negative influence in your life thatâ€™s difficult to handle. It may represent a â€œpoisonousâ€• relationship or negative words or rumors around you.

Talking to a snake suggests that you are engaged in a process of understanding higher knowledge about yourself and your world. It indicates that you are open to receiving information of a more mystical nature.

If you have a dialog or if the snake talks in your dream, it signifies that your potentials are being realized and your opening up to new possibilities in life..
