heartbreaker

Girl you donâ€™t know how I feel (how I really feel)
Since youâ€™ve been away, oh baby
Any chance that you could take my call (take my call)
If I called you today, oh?

Girl you say that you donâ€™t wanna talk but itâ€™s cool
Iâ€™ve been thinking 'bout you all day long
Hoping youâ€™ll pick up your phone
Girl I know that I donâ€™t wanna lose your love
Oh baby (oh baby), oh baby

Oh girl I got a secret place that we can go
'Cause I really wanna be alone
Baby nobody else gotta know
Just meet me later on the low

Donâ€™t tell me you're my heartbreaker
'Cause girl my heart's breaking
Donâ€™t tell me you're my heartbreaker
'Cause girl my heart's breaking

(Hey girl)

Girl you see me standing here (standing here)
Standing in the rain
Oh, baby
Any chance that you could stay right here?
And never go away?

Girl you say that you donâ€™t wanna talk but itâ€™s cool
Iâ€™ve been thinking 'bout you all day long
Hoping youâ€™ll pick up your phone
Girl I know that I donâ€™t wanna lose your love
Oh baby (oh baby), oh baby

Oh girl I got a secret place that we can go (secret place that we can go)

'Cause I really wanna be alone (I really wanna be alone)
And baby nobody else gotta know (nobody else)
Just meet me later on the low (would you meet me on the low girl)

Donâ€™t tell me you're my heartbreaker (baby don't tell me, no)
Girl my heart's breaking
Donâ€™t tell me you're my heartbreaker
'Cause girl my heart's breaking (heart is breaking, woah)

So what Iâ€™m really tryna say is
And what I hope you understand
Is despite of all the imperfections of who I am
I still wanna be your man
I know it hasnâ€™t been easy for us to talk with everyone being around
But this is personal, this is for me and you
And I want you to know that I still love you
I know the seasons may change
But sometimes love goes from sunshine to rain
And Iâ€™m under this umbrella and Iâ€™m calling your name
And you know I donâ€™t wanna lose that
I still believe in us

I still believe in love
I still believe in us
I hope you believe in us
The way I believe in us
You donâ€™t see
'Cause what you donâ€™t see is when we donâ€™t speak I really donâ€™t sleep I wanna talk to ya
And if I had the world in my hands Iâ€™d give it all to ya
I wanna know if youâ€™re feeling the way that Iâ€™m feeling
I wanna know if youâ€™re feeling the way that I, the way that I
You told me to be careful with your heart, your heart
You told me to be careful with your heart, your heart
With your heart

is a new song from Justin Bieber this year 2013
