heartbreaker

Girl you donâ€™t know how I feel (how I really feel)  
Since youâ€™ve been away, oh baby  
Any chance that you could take my call (take my call)  
If I called you today, oh?

Girl you say that you donâ€™t wanna talk but itâ€™s cool  
Iâ€™ve been thinking 'bout you all day long  
Hoping youâ€™ll pick up your phone  
Girl I know that I donâ€™t wanna lose your love  
Oh baby (oh baby), oh baby

Oh girl I got a secret place that we can go  
'Cause I really wanna be alone  
Baby nobody else gotta know  
Just meet me later on the low

Donâ€™t tell me you're my heartbreaker  
'Cause girl my heart's breaking  
Donâ€™t tell me you're my heartbreaker  
'Cause girl my heart's breaking

(Hey girl)

Girl you see me standing here (standing here)  
Standing in the rain  
Oh, baby  
Any chance that you could stay right here?  
And never go away?

Girl you say that you donâ€™t wanna talk but itâ€™s cool  
Iâ€™ve been thinking 'bout you all day long  
Hoping youâ€™ll pick up your phone  
Girl I know that I donâ€™t wanna lose your love  
Oh baby (oh baby), oh baby

Oh girl I got a secret place that we can go (secret place that we can go)

'Cause I really wanna be alone (I really wanna be alone)  
And baby nobody else gotta know (nobody else)  
Just meet me later on the low (would you meet me on the low girl)

Donâ€™t tell me you're my heartbreaker (baby don't tell me, no)  
Girl my heart's breaking  
Donâ€™t tell me you're my heartbreaker  
'Cause girl my heart's breaking (heart is breaking, woah)

So what Iâ€™m really tryna say is  
And what I hope you understand  
Is despite of all the imperfections of who I am  
I still wanna be your man  
I know it hasnâ€™t been easy for us to talk with everyone being around  
But this is personal, this is for me and you  
And I want you to know that I still love you  
I know the seasons may change  
But sometimes love goes from sunshine to rain  
And Iâ€™m under this umbrella and Iâ€™m calling your name  
And you know I donâ€™t wanna lose that  
I still believe in us

I still believe in love  
I still believe in us  
I hope you believe in us  
The way I believe in us  
You donâ€™t see  
'Cause what you donâ€™t see is when we donâ€™t speak I really donâ€™t sleep I wanna talk to ya  
And if I had the world in my hands Iâ€™d give it all to ya  
I wanna know if youâ€™re feeling the way that Iâ€™m feeling  
I wanna know if youâ€™re feeling the way that I, the way that I  
You told me to be careful with your heart, your heart  
You told me to be careful with your heart, your heart  
With your heart

is a new song from Justin Bieber this year 2013
