Sincerely, I have not even heard of her name...

It takes some luck to find free online works, especially in English. As far as I know in the Anglo-Saxon legal systems written materials rights get released after 80 years. I don't know when she published, maybe you must wait some decades...

Hope so ... :)

My brother just send me an email and asked me, if I already have read something from Freya Stark, ... she was a British travel writer.

Do you know her work? I just looked for some free eBooks of her, but not yet successful ...
