Haha! please don't, firstly they, those guys are born to be a runner .

I like the video clip..it reminded me of what my dad told us a month ago, he saw those long limbed runners doing their training in Central Africa and he was out of breath just from his slow walk..Quote:

Here for your next holiday-planing ... (0:42 to 0:48 ... you should not take too serious ... there a from time to time exceptions ... )
