Well, that is just a principal approach... It's better to chose a better to follow.

It's amazing, these guys were born to run long distances. First I thought the film was shot at a "normal" height. 3000 m... (Actually I'm about to understand why these years the Ethiopian football got stronger. They probably do the old trick which Ecuador and Peru did...)

Hmm, think it over again Dashushu ... if you really want to compete with those tough guys!

Here for your next holiday-planing ... (0:42 to 0:48 ... you should not take too serious ... there a from time to time exceptions ... )

But look by yourself ... and decide~~~~
