Ok, folks, I know you've always dreamt of watching a Hungarian video, here you are. I like this woman's style, she is very funny, and the video has a lovely retro atmosphere.

Aludj tovĂĭbb, Ă©n rĂĭd hagyom
testem nyomĂĭt a paplanon,
egy szempillĂĭt is itt hagyok
Ă©s elillanok.

Sleep on, I bequeath
the print of my body in the quilt to you,
