No, no, no! You have to see this clear! Miku has a very strong and stubborn personality. Sometimes it is hard with her... For example she keeps on pressing the toothpaste in the middle, what I really hate. And she leaves the toilet seat down, which is quite uncomfortable for a man, huhh...

I do not wish to compare btwn them, I just like listening the songs she wrote and sang ,after all Lana Del Rey is human, therefor she will do the following things, lie, cheat, and steal. While Miku on the other hand will only do as you tell her.....
