They are so British in the vidio, ha-ha... That many pale folks in starnges clothes...

I think for the audience/viewers pressure in his next video a newspaper can be seen on the ground with an article "Running couple survive car hit" or something...

(I don't like the ending either - but for dramaturgical reasons - it simply adds nothing to the story...)

Thank you for sharing.. I like the set up but I don't like the ending..

anyway, it is just a video~
