Anna: Okay, can I just, say something crazy?

Hans: I love crazy!

Anna:

All my life has been a series of doors in my face

And then suddenly I bump into you

Hans: I was thinking the same thing, because like “

I've been searching my whole life to find my own place

And maybe it's the party talking or the chocolate fondue

Anna:

But with you (but with you)

Hans:

I found my place (I see your face)

Together:

And it's nothing like we've ever known before

Love is an open door

Love is an open door

Love is an open door

With you (with you)

With you (with you)

Love is an open door

Hans:

I mean it's crazy (what?!)

We finish each other's (sandwiches)

Thatâ€™s what I was gonna say!

Anna:

I never met someone

Together:

Who thinks so much like me (Jinx! Jinx again!)  
Our mental synchronization  
Can have but one explanation  
(H) You  
(A) and I  
(H) were  
(A) just  
(H/A) meant to be

Say goodbye (say goodbye) to the pain of the past  
We donâ€™t have to feel it any more  
Love is an open door  
Love is an open door  
Life can be so much more  
With you (with you)  
With you (with you)  
Love is an open door
