That's fun, folks!

This is an Hungarian underground band. They published a funny song just 10 years ago, and now, as it is an anniversary, it is re-published in 14 languages, including Chinese, English, German, Japanese and so on.

As for the text: the original version is sung in a broken Hungarian, it is a parody of the simplicity of these kind of guys and videos and so on. I hope you would enjoy this idiotism.
