Adam Sandler - Every 10 Years lyrics

Drew: Every 10 years I promise to love you

Adam: I'll always be true, even as we get older

D: I still remember the first time I met you

A: You gave me a hug and I got a boner

D: You made me laugh in "The Wedding Singer"

A: And then we went on "50 First Dates"

D: You are the Fred to my Ginger Rogers

A: You're the Rob Ford to my crack cocaine

A: Am I your best movie husband?

D: Of course you are Adam

A: Better than Hugh Grant?

D: Much better than Grant

A: Better than Ben Stiller?

D: Much better than Stiller

A: Better than Jimmy Fallon?

D: You both have great qualities

D: I will still love you when you're 64

A: I will still love you when your boobs touch the floor

D: Truth is, you've made better, than I ever thought I could be

A: Every 10 years

A+D: You'll always have me

A: Oh, I could be the man who grows old with you

I wanna grow old with Drew
