Groove Coverage-ã€Šsheã€Š

Lyrics:

She hangs out every day near by the beach

Havinã€™ a HEINEKEN fallinã€™ asleep

She looks so sexy when sheã€™s walking the sand

Nobody ever put a ring on her hand

Swim to the oceanshore fish in the sea

She is the story the story is she

She sings to the moon and the stars in the sky

Shining from high above you shouldnã€™t ask why

She is the one that you never forget

She is the heaven-sent angel you met

Oh, she must be the reason why God made a girl

She is so pretty all over the world

She puts the rhythm, the beat in the drum

She comes in the morning and the evening sheã€™s gone

Every little hour every second you live

Trust in eternity thatã€™s what she gives

She looks like Marilyn, walks like Suzanne

She talks like Monica and Marianne

She wins in everything that she might do

And she will respect you forever just you

She is the one that you never forget

She is the heaven-sent angel you met

Oh, she must be the reason why God made a girl

She is so pretty all over the world

She is so pretty all over the world

She is so pretty

She is like you and me

Like them like we

She is in you and me

She is the one that you never forget

She is the heaven-sent angel you met

Oh, she must be the reason why God made a girl

She is so pretty all over the world

(She is the one) She is the one

(That you never forget) That you never forget

She is the heaven-sent angel you met

Sheâ€™™

She is so pretty all over the world (oh...)
