Love and Hate

I look into your eyes and see that you're meant for me

But then I realize how we can never be.

You stole my heart and threw it away

My life without you will never be the same

But love that is thrown away is followed by hurt

Then followed by hate if you donâ€™t let that love go.

Love is a Blessing

It can be the sun rising in the morning

The sunset at night

The birds flying in the sky

The flowing of a river

As love flows from our heart

But

Hate from love

Are the clouds that cover our sunlight in the morning sky

Rains upon our star filled night

Stops the river flowing with love

Now flowing with hate spreading like a flood

Donâ€™t let hate

Fill your heart and soul

Let it go

Throw it away

For love will come another day

Love is that river you stand beside right now

In your dream

Watching the sun rise

The birds fly.....

Let love fill your heart.
