Dear Kat and Green

You two are my desire to keep writing and to express my feelings and emotions on love. I thank you for reading and expressing your thoughts about what I have written in the past and what I write as time goes by.

I feel that love is the purest of all emotions and feelings when you truly have someone special in your life. I also believe that love can also be a emotion that is destructive when something goes wrong within a relationship.

For example what I wrote about the seaâ€¦. How beautiful love can be and what it means to meâ€¦.. but if something goes wrong it can be full of sharks that devour within their grasp of their sharp teeth or it can be where your love drowns because you have lost all hope and cant fight or swim any longerâ€¦â€¦â€¦.

Love is a blessing as I always say and I pray that those who have love within them can forever hold onto that loveâ€¦â€¦â€¦ Never to let it goâ€¦â€¦ for it may never come to you again.
