i don't know how east can write so many and so good articles and poems,i have to say he is a great man , he have a sensitive eyes to find somethings in this wrold. i have to say i like there articles and poems wrote by east. that match my mind. and it is what i want to describe. i think if give me a chance to write a article like that in chinese i will do better. and i think it is necessary to improve my english ability that i can describe something i want to do . at that time i will become the hot man in this chatroom but east. hehe. a great author is east, i have to recognize ,if we cannot desive something from a articl ,we can say it is not a good article. but we not only desive from it but also it touch something in ours soul. thank u for supplying a delicious dinner to me. east.
