Thank you for reading my post. I have had a lot of Love in my heart and the deepest possible feelings that kept my heart and soul full of happiness.

Then there is the lose of love that takes all that is warm and loving in your heart and can slowly kill you inside. I hope that you will find that love is full of all that you can imagine and fills your heart with such happiness. I have lost the one I loved please do not let that happen to you for true love is so hard to find.
