Pretty girl

I lie awake at night
See things in black and white
I've only got you inside my mind
You know you have made me blind

I lie awake and pray
That you will look my way
I have all this longing in my heart
I knew it right from the start

Oh my pretty pretty girl I love you
Like I never ever loved no one before you
Pretty pretty girl of mine
Just tell me you love me too
Oh my pretty pretty girl
I need you
Oh my pretty pretty girl I do
Let me inside
Make me stay right beside you

I used to write your name
And put it in a frame
And sometime I think I hear you call
Right from my bedroom wall

You stay a little while
And touch me with your smile
And what can I say to make you mine
To reach out for you in time

Oh my pretty pretty girl I love you
Like I never ever loved no one before you
Pretty pretty girl of mine
Just tell me you love me too
Oh my pretty pretty girl
I need you
Oh my pretty pretty girl I do
Let me inside
Make me stay right beside you
