When a wife wants to beat up a henpecked husband, the man would run for his life and would find a place to hide; usually under a dining table. The woman would shout out, "Insect! I dare you to come out!"

The henpecked husband would say, "å¤§ä, ^å¤«ä, €è"€ä¹•é¼Ž, èªªä, •å†°å°±ä, •å†°!"
