Questions:

- 1) Will it be too difficult for us to handle?
- 2) Will we be running out of words soon?
- 3) Will participants be limited to a few only?

Suggestion:

Let's keep this one at four words level while you, Rony, start a new one in another sub-forum that will run according to what you have suggested? (in another forum so as not to mix up the two) And netpals are free to send in their entries to whichever game they like.

What say you, Rony?

Rony ...

I share the same thoughts as Lady Futari does. I am pretty sure the 4-word series will soon run out.

As suggested, you may want to start a five-word series at your convenience. You set the rules, we play the game.
