Mr Glotynn, Sir

I wish to express my profound gratitude to you for having taken time to rid of the impurities of my essay. It now looks very good to me. I shall have it adopted for final submission with my other documents.

Admittedly, I find writing essays in American English so much like chalk and cheese as compared with Australian English which I am used to. For me to be able to write acceptable American English is still a far cry. Nonetheless, I am blessed with the discovery of this website where I have found an erudite person in you who has so spontaneously offered a lending hand.

Many thanks again Sir, for those very kind words.
