1.It is very interesting to describe pigs by using those terms such as,Pigs might fly,chauvinist pig,pig out,saved your bacon. How could we translate those usages in Chinese?

2.People don't just want to eat pigs, it seems!(è«‹ä••æ—tç«‹ ä,-é€™ä...©ä•¥è©±ç,°ä»€é°¼æ²'æœ%œé€£æŽ¥è©ž?)

3.Do you know any other interesting terms related to pigs?(both Chinese or English)
Thank you!!
