"ā,,ā,,Ÿ" is an expletive in Min-Nan, carrying an implicit meaning of "Do you know that?"

$$\ddot{a}^{1/2} \rightarrow \circ \pm \dot{a}^{3/4} \dot{e} \dots, \ddot{a}, \langle \ddot{a}, \ddot{Y}.$$

= You're spitting sour grapes, aren't you?

= What you are saying carries a sense of jealousy.

Just my two-cents.
