Mr Glotynn & Mr Geoette, Sirs

Could you please help me argue the following statement. Thank you, Sirs!

"If we all like more money, why does the government not print a lot more? Could it not thereby solve the problem of scarcity 'at a stroke'?"

Hello Aspirant

This question reminds me that it needed a wheelbarrow filled with money to buy a box of matches during the Japanese Occupation in Singapore.

I shall let Mr Glotynn and others pen their arguments on this issue.

Over to you, Glot.

Cheers.
