"I Finally Found Someone"

I finally found someone that knocks me off my feet  
I finally found the one that makes me feel complete  
We started over coffee; we started out as friends  
It's funny how from simple things the best things begin.

This time it's different; it's all because of you  
It's better than it's ever been cause we can talk it through  
My favorite line was "Can I call you sometime?"  
It's all you had to say to take my breath away.  
This is it!  
Oh, I finally found someone  
Someone to share my life  
I finally found the one to be with every night.

'Cause whatever I do, it's just got to be you  
My life has just begun I finally found someone.

Did I keep you waiting, I didn't mind  
I apologize, baby that's fine  
I would wait forever just to know you were mine.

And I love your hair, sure it looks fine  
I love what you wear, isn't it the time?  
You're exceptional, I can't wait for the rest of my life.

This is it!  
Oh, I finally found someone  
Someone to share my life  
I finally found the one to be with every night.

Cause whatever I do, it's just got to be you  
My life has just begun I finally found someone.

Oh whatever I do, it's just got to be you  
My life has just begun I finally found someone.
