Hi Everyone

I love music of all kinds and have enjoyed it all of my life, unlike many my age, I have found I like music of all kinds from love song, rap, jazz, reggae, hip hop and so many others. I simply like music and do not really know who sings it, unlike many others who know who, when, where and what made a singer write a song, I simply know I like it or not.

I hope you like the song below it is a very nice love song.

Right Here Waiting For You

By: Richard Marx

Ocean's apart

Day after day

And I slowly go insane

I hear your voice

On the line

But it doesn't stop the pain

If I see you next to never

How can we say forever?

Chorus:

Wherever you go

Whatever you do

I will be right here waiting for you

Whatever it takes

Oh, how my heart breaks

I will be right here waiting for you

I took for granted

All the times

That I thought would last somehow

I hear the laughter

I taste the tears

But I can't get near you now

Oh, can't you see it baby?

You've got me going crazy

(Repeat Chorus)

I wonder how we can survive

This romance

But in the end if I'm with you
I'll take the chance

Oh, can't you see it baby?
You've got me going crazy

(Repeat Chorus)

Waiting for you
