æ-Œă°•: The One

æ¼”ă°±: Backstreet Boy

I'll be the one...

I guess you were lost when I met you

Still there were tears in your eyes

So out of trust and I knew

No more than mysteries and lies

There you were, wild and free

Reachin' out like you needed me

A helping hand to make it right

I am holding you all through the night

Chorus

I'll be the one

Who will make all your sorrows undone

I'll be the light

When you feel like there's nowhere to run

I'll be the one...

To hold you and make sure that you'll be all right

'Cause my faith is gone

And I want to take you from darkness to light

There you were, wild and free

Reachin' out like you needed me

A helping hand to make it right

I am holding you all through the night

Chorus

You need me like I need you

We can share our dreams comin' true

I can show you what true love means

Just take my hand, baby please

I'll be the one

I'll be the light

Where you can run

To make it all right

I'll be the one

I'll be the light

Where you can run

Chorus

I'll be the one

I'll be the light

Where you can run

To make it all right

I'll be the one

I'll be the light

Where you can run

To make it all right

I'll be the one

To hold you

And make sure that you'll be all right

I'll be the one
