From Elinor.

NEVER hide in a culvert during a Tornado warning--or any time!

ESPECIALLY in Texas !!

A Texas Power & Light crew, putting in lines for an addition to the Hallettsville Airport , found the following in a culvert they were using...

See the two (2) pictures below:

Picture # 1:

Picture # 2:

The gator is /was 18' 2" long. The rattlesnake roundup totaled 87..
We thank Texas Power & Light for sharing these pictures.
