How lucky those Barcelonians are! A German singing a song in Mandarin! Ha-ha, a real Christmas gift for them...

I was sure you knew it.

SzÃ-vesen, Dagege, have a great time there!

Thank you Dashushu for your hard work!

I like this song ... it will be with me on the streets of Barcelona ~~~

(Maybe they will wonder, when I try to sing it in Mandarin with your translation ... maybe it will get a hit ...  
)

Have a good time, until we will meet again, here ~~~

KÃszÃnÃm, barÃtom!
