No, I am still not learning to make music... A time ago I was about to learn how to use music making programs, but it was too difficult for me...

Yes, I promised what I promised, maybe we'll be retired by that time, but I'll perform!!!

Hey, Dashushu - you don't make music by yourself, or?

Things like that in the video, happen every day ...

Not so unusual at least~~~

Still looking forward for your promised corsage-performance ...
