ps: This site also provides us how to " Creative Love Letter Ideas". There are 28 ways introduced from this site. One of ways is very funny. haha

**Message In A Bottle**

When you're in a long distance relationship, all you can rely on is letters, cards, emails, and telephone calls. But my boyfriend came up with a creative way to send me a letter. I got a package from him one day and I found a bottle with a letter inside! It was really cute and melted my heart! Who isn't charmed by received a message in a bottle!
