This is a prequestionnaire that we have everyone fill out so that we will get a better understanding of what he or she is looking for in college.

Student Questionnaire

"Begin your college choice process first by looking at yourself then by looking at schools. Analyzing yourself as a potential college student will help you understand the qualities that will make a college right for you."

Please complete the following questions (notes are just fine) and email or fax them to me one week prior to our appointment

Please send transcripts and test scores prior to our initial appointment.

1. Something I've heard about the college admissions process that scares me is...
2. The one thing that excites me about the college admissions process is...
3. When we talk about college my parents and I disagree about...
4. What I don't want in college is...
5. What I think I want is...
6. My comfort zone about attending college (The country and area I wish to study is?)
7. Educational Consulting can help me by...
8. My parents' stress out about...
9. I'm passionate about...

10. I'm happiest when...

11. I feel vulnerable when...

12. I learn best by...

13. The best part of my high school experience so far has been...

14. The worst part of my high school experience so far has been...

15. A few other things I'd like you to know about me are...

16. Please tell us something unique about you that isn't reflected on your transcript.

Parent Questionnaire

I find it very helpful to get your perspective on your child as we enter into the admissions process. Please complete the following questions (notes are just fine!) and email or fax them to me one week prior to my appointment with your child.

Student's Full Name:

Parent (s) Name:

Colleges Parents Attended (if appropriate):
