Lady Futari, Geo San,

I suggest that we should held a ceremony when Geo San

will crown and put banners over Lady Futari.

And it will be my honour to present the lady with

a huge bunch of flowers (if u don't mind ,how about

a hug and kiss?). After that, the å±šç¼žä⁰⁰ should

take a ride in an open top jeep and enjoy the cheers

from all supporters and admirers.

Isn't ithat fun?.

hahaha....

Tim, m i taking leave of my senses?.

hahaha
