On this April Fools' Day, let me share a song with you. Enjoy.

APRIL LOVE

(Pat Boone)

April Love is for the very young
Every stars a wishing star that shines for you.

April Love is all the seven wonders
One little kiss can tell you this is true.

Sometimes an April day will suddenly bring showers
Rain to grow the flowers for her first bouquet.

But April Love can slip right through your fingers
So if she's the one don't let her run away.

Sometimes an April day will suddenly bring showers
Rain to grow the flowers for her first bouquet.

But April Love can slip right through your fingers
So if she's the one don't let her run away.
