Glottynn, what if the question is "Do you not like coffee?" Then I think the answer of "Yes, I don't" would fit.

Apex, are you sure?

In my understanding, "Do you not like coffee?" is just the same as "Don't you like coffee?" and the answers to them make no difference. Please correct me again if I am wrong.

I'm not sure if AE and BE usages would disagree with each other.
