Hi, Geo,

'Byou' is the name of a published CD and DVD for exercise, and therefore a proper noun.
Please explain otherwise or pick another word.

Cheers!

Hi Glot

1. The opening sentence of the definition for 'byou' says ...

" ... *Byou is an exercise music ...*", and goes on to say " ... *it teaches dance numbers, steps and exercises.*"

The link below says that " ... *byou is about getting used to moving your body and being comfortable with who you are. It doesn't matter what size you are ...*"

The term is similar to those of the 'rock', the 'twist', the 'rap' and so on.

<http://www.byou.com/>

2. To further reinforce that 'byou' is not a proper noun. I have searched

<http://www.global-language.com/CENTURY/>, and Vol I .. Page 743 defines 'byou' as follows:

>> 'byou' noun. [E. dial; origin obscure]. A quinsy [North. England]

I do not think 'byou' is a proper noun as such.

Your comments please.

Thanks!
