Hello Glot

I'd checked the word 'pogs' before use. I used it prompted by the word '*is*' in the opening sentence. The sentence says " Pogs *is* a game that was popular from the early to mid 1990s."

POG itself has two definitions.

1. a brand name of a tropical drink

2. a file extension as in .pog (please see link)
   http://www.answers.com/topic/pog?cat=technology

Brand names and file extensions do not usually come with "s" added plurals. Regardless, I have made a replacement if the game does not allow the word.

Here goes ...

726. glotynn - yuzu, mita, hook, wont
727. futari - suzu, mica, hoom, bont
728. menquart - sufu, mico, hoon, font
729. geoette - jufu, fico, hoot, fint
730. futari - fufu, pico, hoit, fiat
731. geoette - futu, poco, coit, frat
732. futari - fute, pogo, doit, drat
733. glotynn - rute, pogy, yoit, draw
734. geoette - tute, *fogy*, yoik, braw ('fogy' replaces 'pogs')

I have saved the word 'dogy' for your next entry. Thanks anyway. Cheers
