Hello Readers

Itâ€™s been a while since I last contributed to this forum. Today, on this thread, I am going to talk about â€

â••â-•è`†â°•ä^{oo}

With the Lunar New Year fast approaching, I am sure there will be many Buddhist (ä½‚æ™â¼') and Taoist (é“æ™â¼') devotees going to Chinese temples to pray for a better year; thereafter to chosen venues to pray to a certain deity to drive away â°•ä^{oo}.

In Part One of this â••â-•è`†â°•ä^{oo} thread which shall be posted in due time, I shall describe the villainous character of â°•ä^{oo} and why he needs to be driven away, or â€beatenâ€™ up.

But if you guys have the answers, please feel free to contribute them here. Cya soon!

Thank you.
