I've been to paradise

But I've never been to me

Hey, you know what paradise is?

...., that's love

Yes, all spiritual teachers all repeating the same words, paradise is where you find love. And love is within everyone. It is universal and this universal love within creates the utmost cheerful atmosphere. The one found the universal love within radiates and brings the â¹,ç!•æ„Ÿ to all beings.

Yes, paradise is within. No need to search anywhere to find it. Go inside and you will find it.
