Modo,

You are too modest! You are an artist in my eye.

quasi-

prefix used since 18c. (but most productively in 20c.) and meaning â€œkid of, resembling, like but not really;â€• from L. quasi â€œas if, as it wereâ€• (see quasi).

modo

The prince of darkness; the fiend.

quasimodo

"Low Sunday," 1706, Quasimodo Sunday, from L. quasi modo, first words of introit for the first Sunday after Easter: quasi modo geniti infantes "as newborn babes" (1 Pet. ii:2). The hunchback in Victor Hugo's novel was supposed to have been abandoned as an infant at Notre Dame on this day.

Judging from Modo's quoted words, I guess Modo wants to say:

The word "modo" = "quasi" = "grosso modo"
